

OLLI Membership Potluck Picnic

Tuesday, September 11, 4:00 p.m.
Larkspur Park (Behind the Bend Senior Center)
1600 SE Reed Market Road

Enjoy a full afternoon of OLLI on Tuesday, September 11! After attending the lecture, *Born Free? The Role of Zoos in America*, with speaker Nolan Harvey of the High Desert Museum, stay right where you are. The OLLI fall kick-off picnic starts at 4:00 p.m. in Larkspur Park which is located right behind the Bend Senior Center. We will welcome our new members and introduce everyone to the 2007-08 programs while socializing and enjoying good food. We have divided members according to last names and request you bring the following: A-C appetizers; D-K salads; L-R entrees; and S-Z desserts.

New members are our guests and are not asked to bring anything. OLLI will provide beverages and table service. You can bring your dish to the 2:00 p.m. presentation since we have permission to store items in the refrigerator at the senior center until picnic time.

Traffic on Reed Market Road can be a problem from 3:00-3:45 and again closer to 5:00, but is usually not a problem at 4:00-4:30 p.m., so we have scheduled the picnic to coincide with the better traffic times as well as to follow the 2:00-3:30 p.m. presentation.
