

DIRECTIONS

Chandler Building

Have any of you had trouble finding the Chandler building? It can be a little tricky, so hopefully these directions and map will help you find the way.

Take Newport to 9th Street, go uphill until 9th curves left (around Hillside Park) and turns into Trenton. Go left one block and you'll be at the intersection of Trenton and 10th (yes, 10th). Turn left and immediately turn right into the Chandler Building driveway where you will see the brown and black sign for the Chandler building and the University of Oregon programs.
