This year’s annual AUA golf Outing will be held at the infamous Washington National Golf Club. As in previous years, the outing is schedule for Sunday morning, prior to any meetings or other events for the conference. This way, all persons interested are encouraged to join us.

The event will be a SCRAMBLE format. It is a laid back, fun event for all levels of players. It’s a great way to catch up with old friends, meet new ones, and get warmed up for the conference. Lunch will be not be included this year but will be available at the end of the round.

if you are planning to join us, please email Joe Bilotta @ joe@jba1.com. We have a limited number of spots and our deadline for players is 30 days ahead of our event (May 20, 2016). More information follows.

About the Course

Designed by award-winning architect John Fought, the 18-hole championship golf course features an exceptional array of contrasting aesthetics. Rugged transitional areas dotted with native fescue dissect lush, emerald fairways, and spectacular, white-sand bunkers cradle impeccably maintained greens.

The layout increases in challenge and splendor, culminating in a spectacular stretch of golf over the final holes. Wide fairways lure golfers into a sense of security but a wealth of strategically placed hazards challenge even the best shot makers. With tee options ranging from 5,100 to 7,300 yards, Washington National is a demanding test for players of all abilities.

In addition to being a favorite among daily fee golfers, the combination of world-class golf, a comprehensive practice facility, and exceptional service make Washington National one of the Northwest's most sought-after destinations for group outings and other tournaments. This championship golf course has been the site of several collegiate tournaments, including the NCAA regional championships.
**History of the Course**

Designed by award-winning architect John Fought, Washington National Golf Club is the proud home to the University of Washington's Men's and Women's golf teams. The course was built in 2000 and quickly became known for its impressive layout and immaculate course conditions. The course features bent grass fairways and bent grass greens.

This championship golf course has hosted several collegiate tournaments, including several NCAA regional championships. With its tee options ranging from 5,100 to 7,300 yards, Washington National will motivate and reward golfers of all playing abilities.

**Home to the University of Washington Golf Teams**

Washington National Golf Club is the home of the University of Washington's Men's and Women's Golf Teams. Everything about this course is purple and gold themed, from the collegiate branded carts to the signature 18th hole that showcases the purple W insignia. The tees are classified as either Freshman, Sophomore, Junior, Senior, or Husky tees.

The course features a special Practice Facility that is used exclusively by the Men's and Women's Golf Teams. The Practice Facility has a large teeing area, multiple bunkers, large putting green, covered practice bay and is in immaculate condition. The University of Washington expects nothing but the best, and in Washington National Golf Club, they get it.

This championship golf course has hosted several collegiate tournaments, including several NCAA regional championships. In addition, the course is a favorite among corporate and charity outings both large and small. Washington National Golf Club affords the recreational golfer the opportunity to play a tournament caliber course any time.

Golf Outing Rules – 2016

• All University Golf Course local rules apply.
• Format is a 4 Person Scramble - all members tee off and then chose their best shot and all team members will hit their second shots from that point (within one clubs distance of the original shot). Balls CAN NOT be moved from a hazard such as a sand trap, water, trees, etc. If we end up with a team of three persons, the forth shot should be rotated amongst the team members.
• When on the green or fringe the ball must be marked with a ball marker and hit from there. You do not get a clubs length here.
• NO MULLIGANS – Even if you are Irish.
• Scoring - all scores are scratch with each team having one score. If your scorecard is lost then you just earned a score of +9, so it's best each cart has a scorecard and two people keep score, just in case. If you like a +9, just tell Joe ahead of time, this can be arranged.
• Tie Breaker - Best back nine, then best last six holes, then best last three holes. If this does not work, then we start at hole 9 going backwards until one team has the best score on a hole. If every hole is a tie then a chip off will be set up with rules determined at that time by the tournament organizer.
• Please be sure to get around in 2 hours per nine holes. It is a laid back, social event, but we DO NOT want to hold up the entire course, so please keep moving. The course was nice enough to set aside Sunday morning tee times which is not easy to get. Let’s at least pay the courtesy back by setting a good pace.
• Men Tee off from the Junior Tees. Women from the Freshman Tees.

Contests/Awards

• Closest to Pin on Holes #5 and #16. To win you must be on the green in regulation. The fringe is NOT considered on the green.
• Longest Putt on Hole #11 - To win this must be the longest put being on the green, not the fringe.
• Longest Drive on Holes #14(men), and #2(women). Your drive must clearly be in the fairway.
• Team Awards for first place.
• NOTE: A person can win only one individual award. Awards will be given to the second finisher in the specific contest if the first ranked individual already received an award.
• Awards will be presented during lunch after the golf.
